Notice of Motions

5. ***Motion from Councillor Des Guckian:***

That our Council officials be asked to list, and to explain, what definite actions they have taken against the Vietnamese Company that owns the premises in Main St, Mohill (formerly Gannon's), which collapsed into the street a few months ago. What is now proposed, by that Company and by Council officials, to allow the Public Realm works to be carried out on that side of Main St?

6. Motion from Councillor Des Guckian:

That at least five new lay-bys be created, at suitable places, between houses, along the L3468-0, from The Top O' The Hill, Aughamore, to Derrycarne Forest Park entrance.

7. Motion from Councillor Finola Armstrong McGuire:

I ask for an outline of the safety audit conducted recently and its implementation at riverside area in Carrick on Shannon. I also will ask if similar has been done elsewhere in the county in recent years.

8. Motion from Councillor Sean McGowan:

To call on relevant departments of Roads, Water Services & Úisce Éireann to immediately carry out repairs to the sewerage line serving the Paddocks Estate in Carrick-on Shannon. There is a serious problem with the sewerage blocking up on a regular basis.

9. Motion from Councillor Sean McGowan:

I call on Darragh O'Boyle District Engineer, to have discussions with the Gardaí with a view to placing a 50km speed limit on local road L-5613-2 from Lough Rinn Estate and L-5612-0 at Farnaught, onto where they join the Tooman/Drumlisk Road. There are a number of families living along this section of road with small children and they are concerned for their safety. I would also ask that signage be erected to advise motorists of this change.

10. Motion from Councillor Enda Stenson

There is a major outcry at the moment, in Carrick-on-Shannon, for the provision of a proper Community facility, to cater for local drama, music and dance lessons. Carrick on Shannon is the one area, in the district, without such a centre. May I ask what can be done to alleviate this situation.

11. Motion from Councillor Enda Stenson

I ask the Senior Engineer Mr Darragh OBoyle, could at least 2 lay-bys be provided on the Meelick Hill Road, no L_3441_1. The school bus driver has brought the need for these to my attention.

12. Motion from Councillor Thomas Mulligan

I am requesting that the culvert/pipe crossing under local road number L-5620-2 in the townland of Lisclonadea receive attention as it is preventing proper land drainage taking place.

13. Motion from Councillor Paddy Farrell:

There is an issue with damaged sewer pipes in the public roadway of the Paddocks Estate. It is understood a CCTV survey of the pipes was reported to LCC some years ago and to date no action has been taken. It is incumbent on Leitrim County Council to compel Úisce Éireann to carry out reconstruction of the damaged pipes as a matter of urgency.

14. Motion from Councillor Paddy Farrell:

I call on Leitrim County Council to explain why they are not paying maintenance fees for houses they own in estates. It is very unfair on other home owners to carry this cost.
