

Leitrim County Development Plan 2015 -2021

Addendum:

Due to typographical error, the following policies should read:

Policy 104 It is the policy of the Council to actively pursue funding for building conservation under the conservation grants scheme run by the DoECLG.

Policy 109 It is the policy of this Council to ensure that managed access to good fishing waters is available to locals and visitors and that the resource is appropriately managed.
