Subject: Leitrim County Development 2023-2029

In relation to the County Library at Park Lane, Carrick-on-Shannon . As a member of Leitrim Library. . The library is a lifeline to the public,

The Carrick-on-Shannon branch as the County Town is a focal point for young and old and as such needs to be updated and to a high standard.

It is imperative that this is included in the key strategy document as a matter of urgency.
