Dear Leitrim Coco.

I am absolutely appalled and outraged that the so called "green" minister Eamon Ryan thinks it's a good idea to allow foreign mining companies come in here and destroy our land here in Leitrim or anywhere on this Island for that matter!!

How is this good for the environment??

I will, under no circumstances whatsoever, let any miner's onto my property and I assure you NOBODY in this area will stand by and allow this to happen!!

Take note of my objection!
