**Subject:** Carrick-on-Shannon library

Hi,

I am just writing in support of any proposed development of Carrick library. My young daughter and I have been using the library's facilities for some time, and I must applaud the hard work put in by the staff there. Any possible refurbishment or extension of the current premises would be warmly welcomed, as the current site is a little worn out and certainly understocked with books considering the population of Carrick and the local catchment area.

Kind regards,

Damon King
