Re: Leitrim County Development Plan 2023-2029 – Material Alterations – Public Consultation

Dear Sir/Madam,

The National Transport Authority ('the NTA') has reviewed the Material Alterations to the *Draft Leitrim County Development Plan 2023-2029*. Following our submission on the Draft Plan and our recommended alterations, we would like to take this opportunity to welcome the acceptance of these recommendations which strengthen policy objectives relating to active travel, public transport and the integration of land use and transport planning. It is considered that these alterations will greatly enhance the Leitrim County Development Plan 2023-2029 and ensure its alignment with the National Sustainable Mobility Policy and the National Investment Framework for Transport in Ireland.

We look forward to working with Leitrim County Council to advance these objectives where required during the lifetime of the Plan.

Yours sincerely,

Michael MacAree
Head of Strategic Planning
