Subject : Proposed Zoning of my lands at Skreeny, Manorhamilton.

Draft Leitrim County Development Plan 2023 – 2029.

Date : 20th April 2022.

Many thanks for your detailed reply to my query regarding the proposed zoning of my lands at Skreeny beside Holland Drive.

I have examined the Manorhamilton Land Use Zoning Map and note that the remaining lands on the Holland Drive side (South West side) are zoned **New Residential**.

My lands would form a natural extension and boundary for this type of land use zoning.

I respectfully request that my lands are reconsidered and zoned **New Residential**.

This would greatly assist me in bringing forward a planning application for a more viable residential development in which I will deal with the issues raised in your correspondence.

Many Thanks,

Kind Regards,

Hubert Mc Ternan
