Subject: Carrick on Shannon Library

Hello,

I wanted to say thank you for the wonderful service I've received from the above Library, be it ordering book, talks, computer assistance, the staff are extraordinary.

It allows one a safe haven to enjoy the literary world, a break from the everyday. Especially I would say for the elderly. Just a thought, perhaps having a sitting area where one could stay and read would be a huge asset to the community.

Kind regards,

Josephine Lewis
