Mohill Painting Scheme 2025

Leitrim County Council is launching a Mohill Painting Scheme for 2025 to provide financial support to businesses and residents for painting the front of their properties. This initiative aims to enhance the aesthetics of Mohill and create a more vibrant and welcoming environment for the community and visitors alike.

Programme Overview

The painting scheme provides financial aid for property owners to improve the exterior appearance of their premises within the designated town centre area (please refer to the approved area map contained in appendix 1).

Eligible participants include:

- Businesses and commercial premises
- Residential properties

Only properties within the designated area outlined on the map will be eligible to apply.

Leitrim County Council would encourage adjacent properties to consider collaborating on their applications.

In the case of an oversubscription to the scheme priority may be given to those properties located in areas where recent public realm works have taken place.

This programme includes:

- ✓ Property Enhancement Grant – Financial support for painting and improving the exterior of properties. Including cost for preparation before painting commences such as power washing and Removal of unnecessary signage, flagpoles, and wires.
- ✓ Design Guidance – Advice on colour selection and aesthetics to complement the area's character
